Mark Sanborn

President of Sanborn & Associates, Inc.,
Idea Lab for Leadership Development

In addition to his experience leading at a local and national level, Mark Sanborn has written or co-authored 8 books and is the author of more than two dozen videos and audio training programs on leadership, change, teamwork and customer service. As a dynamic and entertaining speaker, Mark will explore his international bestseller *The Fred Factor: How Passion in Your Work and Life Can Turn the Ordinary into the Extraordinary*. His goal and mission found inside *The Fred Factor* challenges leaders to continually create new value for those they live and work with through dedication, passion and creativity. Not unlike the student experience at Arrupe Jesuit High School, Mark asks us all to consider the idea that "Everyone makes a difference. The only question at the end of the day is: What kind of difference did you make?"
