**A Note From Fr. Steve Planning, SJ****Dear Friends of Arrupe:**

I want to extend my most sincere and heart-felt gratitude for all that you did to make Magis Night 2009 an extraordinary success. The record breaking attendance, the beautiful venue and silent auction, and the monies raised all exceeded our expectations.

In these challenging economic times, it is a source of great joy to see people come together in a spirit of generosity and selflessness. In addition to helping our students, it is a powerful life lesson for them to witness your generosity in action. At Magis Night, your support made a powerful statement to our students that helping others is important not only when times are good. Rather, it is times like these when helping those in need is most important.

On behalf of the Board, faculty, staff and students of Arrupe, I say "Thank You". Our students meet with continued success because of you, our corporate employers, benefactors and supporters. You make the difference that allows our students to pursue a future full of hope and promise. May God bless you and your family.

Sincerely,
