A Note From Rev. Steve Planning, SJ

Dear Friends of Arrupe:

With all of the bad news in the headlines, it is a joy to have good news to celebrate. Our good news is that this year the Arrupe Jesuit High School graduating class of 2009 not only has a 100% college acceptance rate, but has broken the Arrupe record for merit-based college scholarships. This year's graduates have earned more than \$2.5 million in merit-based scholarships with more on the way. And more than 90% of our seniors are the first in their families to attend college. It is a thrill to see all of their hard work pay off.

While we are very proud of our seniors, we know that they have not done it all on their own. They are the first to recognize the support of people like you—our generous friends, supporters and corporate employers. I am pleased to tell you that your investment in our students has paid off and in a big way.

We felt your commitment to our students in a very powerful way this year at our Magis Night fundraiser. This year's Magis Night drew a record crowd of 684 supporters and raised approximately \$541,000. I cannot thank you enough for believing in our students the way you do. We hope we will see you again next year on February 27th.

We are thrilled that on Monday, August 24th, we will have our first golf tournament at Sanctuary. Come join us at this golfer's paradise for food, fun and golf in support of the students of Arrupe. If you are a serious golfer, there is no more enjoyable way to help those in need. If you are a beginner, join us and see why Golf Digest has five times ranked Sanctuary among America's 100 greatest golf courses.

As our school year draws to a close, we hope you feel pride in what you have helped bring about. You are the reason why our students succeed to the extent they do.

May God bless you for all of your kindness.

Sincerely,

Fr. Steve Planning, SJ
President

Denver Health Service Project

Arrupe Jesuit High School students have enjoyed serving the community at Denver Health over the past two months. They began by creating newborn baby care packages and helping to deliver these packages to newborn babies and their families.

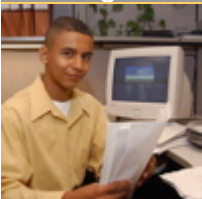

From this experience, they decided to expand the project to their school. The Arrupe Jesuit High School student body gathered 58 packages of baby wipes, 39 bottles of baby shampoo, 13 bottles of baby wash, and 22 bottles of baby lotion for their first ever Denver Health Baby Shower. Arrupe students delivered these baby items to Denver Health's Baby Room on Monday, April 20, 2009.

Each homeroom class collected the items either by bringing them in individually or by collecting money and purchasing the items as a class. Among the entire student body, the freshman class brought in the most items.

Arrupe Jesuit High School students look forward to participating in more service projects at Denver Health so they can help to provide quality care for all families in Denver. Denver Health is also a partner in our Corporate Work-Study Program.

Challenge Grant for the Corporate Work-Study Program

The Helen K. and Arthur E. Johnson Foundation has awarded Arrupe a \$7,500 grant to support our Corporate Work-Study Program and has challenged us to match their \$7,500. We need your help to meet this goal by the end of December 2009.

All new gifts and gift increases from business community members who designate their donation to the Corporate Work-Study Program will count toward meeting this challenge.

For more information or to make a gift, please contact Laurie Vieira by phone (303) 455-7449 x232 or email lvieira@ArrupeJesuit.com.

Thank you for your support of Arrupe Jesuit High School!
