Dear Friends of Arrupe:

As the school year winds to a close, we could not be more proud of our graduating seniors. The 54 seniors in the class of 2010 have shattered previous records for graduates of Arrupe. This year our seniors have awarded more than \$3.8 million in merit-based college scholarships. Furthermore, what is truly amazing is that eight members of the class received full ride college scholarships. Congratulations to the class of :

This tremendous success is due to the hard work of our students, their teachers, and the wonderful staff of Arrupe Jesuit High School. At the time, the school's hard work is reinforced and enhanced by our wonderful Corporate Work-Study Program employers who help make education possible. Allowing students to work for their education is Arrupe's "secret ingredient" for success.

However, most important to our students' success is your financial support. That is why we are asking you to help us keep our success alive by participating in the Arrupe Golf Invitational at Sanctuary on Friday, June 18th. The Invitational will help us provide continued support for our families so financial hardship will never keep a student away from the opportunities that the school provides. There is no more beautiful place to play golf than at Sanctuary. Come join us for a day of fun as you help students fulfill their families' dreams.

Unfortunately, this will be my last tournament as president of Arrupe Jesuit High School as my term finishes at the end of June. I look forward to seeing you there before I head back to Arrupe. Please help me make this tournament Arrupe's best one yet. Please contact Laurie Vieira to confirm your foursome or learn about sponsorship opportunities at 303-455-7449 x232 or LVieira@ArrupeJesuit.com. May God bless you.

Sincerely,

Fr. Steve
